\* indicates a required field

This fund recognises that small activities, projects and events, deserving of support from Council, come up in an ad hoc way throughout the year. Requests for assistance are assessed by the Indigenous Affairs Portfolio Councillor with approval by the General Manager Liveability.

Applications can be made throughout the financial year and must be received by Council a minimum of three (3) weeks prior to the activity/project/event.

### Policy Statement

South Burnett Regional Council ('Council') recognises the important contribution community organisations and individuals make to the Council area. Through the provision of community grants program, Council demonstrates its commitment to investing in initiatives and partnerships that align with Council's corporate priorities encouraging individuals and groups to make a positive and ongoing contribution to the region.

This policy is to guide the administration of Council's Community Grants Program so to ensure the grants contribute to Council achieving its strategic goals, identified key initiatives, and align with the intent of the *Local Government Act 2009* ('Act') and the *Local Government Regulation 2012* ('Regulation'), which state that assistance will be used for a purpose that is in the public interest.

This policy applies to all grants, donations, sponsorship and other assistance made to:

- eligible not-for-profit community organisations delivering programs, activities and events within the Council area; and
- eligible individual South Burnett residents to attend competitions or programs representing Queensland or Australia in their chosen performance field.

The provision of concessions and waivers relating to building and development applications, undetected water leaks, provision of recycled water, lease payment fees, rates and utilities charges are not covered by this policy.
